Dear Steven

We wanted to thank you very much for the most excellent and sensitive way in which we worked together and you have produced a wonderful home from what was a bit of a wreck. We would very much like to thank Luke, Howell, Tristan and all the other chaps from the firm who came in and did a wonderful job, in a very gentle and pleasant manner.

I realise by the time you get this, that the holidays will have started but we would like you to express this to your firm and, of course, to Father and all the other people who make up G I Hopley Ltd.

When we eventually move in, which is sometime around 2/3 April and have got settled down, we will write to you again and seek to arrange some sort of social event and we will include Erica and her staff in this.

With best wishes for Christmas and once again many, many thanks. No doubt we will see each other in the future when, eventually, all is tidied up and finished.

Yours very sincerely

Rev Canon G W Bettridge
